When we collect, use, share, retain or do anything else with your personal information (known collectively as 'processing') we are regulated under the General Data Protection Regulation (GDPR) and are responsible as 'controller' of your information.

This notice applies to you if you are:

- An existing or prospective member of our club.
- A person with parental responsibility for a member.
- An existing or prospective club volunteer or official.

We have a separate notice which provides privacy information relating to employees.

It is important that you read this carefully as it contains key information about how we use your personal data and your associated rights.

About us

Tetbury Gymnastics Club is a 'not for profit' membership organisation. Our members are gymnasts or the parents/carers (if the gymnast is a child). We provide the opportunity for our members to participate in our activities, which include recreational classes, training, camps, competitions, squads and other similar gymnastics activities.

We register with British Gymnastics who govern the sport, provides membership benefits for clubs and individual members and offers competitions and events. It is a condition of British Gymnastics club registration that all our club members are registered as individual members of British Gymnastics.

We also use Rise Gymnastics, a progressive recreational gymnastics programme provided by British Gymnastics that is administered through an online software application provided on British Gymnastics' behalf by Fitronics, which provides a Home portal designed for parents (or person with parental responsibility), or gymnasts to access their own account to view progress and achievements and manage account settings.

Tetbury Gymnastics Club and British Gymnastics are joint controllers for the personal data shared for British Gymnastics membership and for Rise Gymnastics purposes.

You can find full details about how British Gymnastics collects and uses your personal data in the British Gymnastics privacy notices, which you can find at www.british-gymnastics.org/safesport/privacy-notices

Tetbury Gymnastics Club also affiliates to SWAGA (South West Amateur Gymnastics Association) who runs competitions and events in which we may participate.

Our purposes for processing information about you

We use the information we hold about you for a variety of purposes which are outlined below. Data protection law requires us to tell you what our legal reason is for each purpose.

Contractual purposes

When you ask us to provide you a service, such as club membership, gymnastics classes, competitions, trips or other activities, or you buy a product from us, we usually need to use information about you to provide this product or service, for example:

- To contact you to confirm arrangements.
- To notify you about changes to terms and conditions.
- To tell you when it is time to renew membership or re-register for activities.
- To process payments or send you receipts required.
- To provide you with the products and services.

We do so because it is necessary for the performance of a contract.

Legal obligations

We have a duty of care to ensure it is safe for you or your child to take part in gymnastics activity and to keep you/them safe while participating. Some individuals may be at risk of harm from participating in gymnastics activity as a result of a pre-existing condition. It is vital that you let us know if there is any reason why taking part in gymnastic activity may be unsafe prior to participation. With your agreement, we will review any information you provide and undertake risk assessments in consultation with yourself and any appropriate trained professionals e.g. medical consultants. When we ask participants to provide relevant health information such as details of medical conditions, medication needs, allergies or injuries, this is because we have a legal obligation.

If you are selected for a role at the club, we will usually obtain a reference from any appropriate organisations or individual you have nominated.

When you tell us about any special needs such as disabilities or other support information, we may use relevant information to comply with our legal obligations under the Equality Act 2010. We will review any information you have provided to help us identify any actions we can take to support inclusion. We may need to ask you for more information to help us to best meet you or your child's needs. We will keep a record of any steps we taken to support inclusion.

If you are wishing to volunteer or work for us, we may ask you to complete a criminal record check as we have a legal obligation to do so. We jointly control the checking process with British Gymnastics who is responsible for the assessment of any content on the check and will

only share information with us where it is appropriate. For example, if you are considered by British Gymnastics to be unsuitable to take on the role, we may share relevant and proportionate information about criminal offences where it is deemed that while you are not considered unsuitable to take on the role, if it is considered necessary for safeguarding purposes.

When we retain information about you, even after you are no longer taking part in gymnastics activity, this is often because we are required to do so by law such as records we are required to keep for business and accounting purposes. Sometimes we are also legally obliged to share information about you with third parties. More information is provided below.

Legitimate interests

We rely on legitimate interests for the following purposes:

- **Responding to communications, concerns or complaints and seeking feedback from you about our services.**

We will use the information you provide to respond to any comments or questions you raise and where appropriate to undertake investigations into any complaints or concerns. On occasion, we may contact you to seek your views on the services we provide.

- **Holding emergency contact information**

When you join the club, we collect contact details. We also ask you to provide an emergency contact which we will only use in exceptional circumstances if we are unable to contact your primary contact e.g. a parent/carer.

- **Maintaining attendance registers, achievement records and waiting lists**

For health and safety purposes and club records, we need to maintain a register of those in attendance at training or other club activities.

If there are no places in the club, we can place you on our waiting list and will contact you using the details you provide to inform you when a place is available.

- **Registering you as a member of British Gymnastics**

As a British Gymnastics registered club, all our members require membership with our governing body, of which insurance is a benefit. It also enables British Gymnastics to safeguard the sport and allows members to access support and advice and participate in courses, competitions and events run by British Gymnastics and its affiliated organisations.

- **Administering Rise Gymnastics**

If you are/your child is an under-16 Community member of British Gymnastics, a Rise Gymnastics account will be created on Rise Hub using gymnast and parent name, gymnast date of birth & gender, parent email address, postcode, club and British Gymnastics membership number.

Our coaches and instructors will be able to access this information to set up groups and record your progress and achievements, which you can view on the Rise Gymnastics Home portal.

British Gymnastics does not have direct access to individual progress record, but Rise Hub has been designed to aggregate all participant data to create anonymous

statistical reports so British Gymnastics can manage the supply of Rise Gymnastics awards and understand how to make improvements.

- **Entering you into a competition and providing results**

If you wish to take part in a club competition, your information (usually your name, date of birth and gender) will be used to enter you into the appropriate category and your score will be recorded. Results of competitions are normally published on the competition organisation's website.

- **Collecting additional information to support a participant attending a club trip**

Occasionally we organise residential events or trips. If you or your child registers for one of these events, we will need to collect additional information, that may vary dependent on the specific activities and whether they involve meals and travel. Additional information we require may include passport information and any other relevant information necessary to provide support whilst away from home.

- **Monitoring performance and undertaking fitness assessments**

If your child is a development or squad gymnast, we will need to collect additional information about them. We track and monitor gymnast's performance in training, trials and competition and undertake regular fitness assessments. We may require additional information about lifestyle and education.

- **To monitor that you have completed any required safeguarding training and criminal record checks**

If you undertake a role where a criminal record check and safeguarding training are required, we will receive confirmation from British Gymnastics if your check is approved and that you have completed the required safeguarding training.

- **Filming for coaching purposes**

On occasion, we may film gymnasts e.g. during a gymnastics session for coaching purposes. Videos taken at training sessions for individual coaching purposes will not be used for any other purpose without prior consent.

- **Photography and filming at club events to promote the club**

At our large club events such as our annual club competitions and club display, we take photos to promote club activities and may film the event to create a DVD. We publish images on our website, social media account and in our communications. Any images of children will be published in line with British Gymnastics safeguarding policy.

Let us know if you do not wish to be filmed or photographed or do not want your image to be published. While we can usually take steps to prevent you from being photographed or filmed at small club events, please bear in mind that at our large public events, it may be difficult to avoid capturing you in footage. However, we always review all photographs prior to publication and we will ensure any images of you are deleted.

If we are filming or taking photos for any other purpose, we will ask for your consent.

- **Running and monitoring our club website and social media**

We do not use any tracking or analytics on our website. Your IP address will be logged by our webserver, but we would not be able to identify you from this information alone.

We have carried out a legitimate interest assessment (LIA) to ensure that the above processing is necessary and is carried out in a way that ensures a balance between the club's

interests and your individual interests, rights and freedoms with appropriate safeguards, especially to protect the interest of data subjects who are children. We can provide details of these assessments on request.

You have a right to object to the use of your information for any purposes we undertake based on legitimate interests. Further information is provided in the section below on individual rights.
